Dear Parents and Carers,

**Re: New School Vision**

I am delighted to finally share with you our new school vision statement. This has been written over the past term with input from all pupils, staff, governors and information from the parent questionnaire we circulated during the Autumn Term. A number of meetings were held to consider all of this information and various drafts were produced along the way! The final statement, which we feel incorporates the key messages from the consultation is detailed below. I have also shared the outcomes of the parent, staff and pupil consultation at the end of this letter, so you can see how the final statement was shaped by your views. I would like to thank everyone for their contribution to this and hope that you feel, as I do that it reflects who we are as a school now and going forward. Our new vision has been shared with the children during collective worship today and will underpin all school policy and procedure; it will be reflected in all of the decisions we make.

**Headlands CE (C) JIN School**  
**Growing a Loving, Happy and Flourishing Community**

Through diverse, inspiring and memorable experiences we nurture resilient and creative learners to help them flourish within our local and global community. Our Christian values of love, joy and friendship teach us to cherish the uniqueness of each person, supporting all to live life in its fulness.

Our School vision is underpinned by the following Bible passages:

Matthew 22: 37-39

*Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second is like it: 'Love your neighbour as yourself.*

John 10:10

*I have come that they may have life, and have it to the full.*

You will notice that our new vision statement is underpinned by biblical scripture. As we are a Church of England school, this is an expectation as well as being a requirement of the SIAMS (church school) inspection framework.

Following the development of our school vision, we are now in the process of updating and modernising our school logo. This will be launched alongside our new website later this term. Please do not worry about the impact of this on school uniform. We understand that there will be a gradual move to purchasing uniform with the new logo as children grow and uniform is replaced.

Headlands CE (C) J I & N School  
Headlands Road  
Liversedge  
West Yorkshire  
WF15 6PR

Should you have any questions or comments about the new school vision, please do not hesitate to contact me.

Yours Sincerely,

Ashleigh Dunn

Headteacher
