15<sup>th</sup> December 2021

Dear Parents and Carers,

Re: Christmas Service at Christ Church

I am delighted that our Christmas Service can go ahead this year. Karen, the vicar at Christ Church Liversedge, has reviewed the risk assessment and would like to welcome all Headlands pupils, families and friends to the service on Thursday 16<sup>th</sup> December. The service will begin at 10am.

**To enable this event to proceed, we must adhere to the enhanced safety measures listed below.** These measures are in line with the Christ Church Liversedge Covid-19 Risk Assessment.

1. **ALL adults attending the service at Christ Church must show a COVID Pass.** Information about how to get a COVID Pass can be found on the following page. If you require further assistance or advice please call at the school office or speak to a member of the senior leadership team in the playground at the start or end of the school day.
2. **All adults, unless exempt, must wear a face covering throughout the service.**
3. **Please do not attend the service if you feel unwell or if you are displaying any symptoms of Covid-19.**
4. **Hand sanitiser will be available on entry to church. Please sanitise your hands before entering and when leaving.**

Please note, Christ Church Liversedge has the right to refuse entry to anyone who does not adhere to the measures listed above.

We are looking forward to welcoming you to our church service on Thursday and thank you in advance for your support and cooperation.

Best wishes,

Ashleigh Dunn  
Headteacher

### What is a COVID Pass?

An NHS COVID Pass shows your coronavirus (COVID-19) vaccination details or test results. This is your COVID-19 status. There are two types of COVID Pass:

1. A digital pass
2. A paper 'Pass Letter'

### Can I get a COVID Pass?

To get a digital NHS COVID Pass for domestic events and venues, you need **one** of the following.

- **To be fully vaccinated with a COVID-19 vaccine used in the UK**  
The NHS COVID Pass is usually available 2 weeks after you're fully vaccinated.
- **A positive PCR test within the past 6 months**  
The NHS COVID Pass is available after you've finished self-isolating and up to 180 days after taking the test.
- **A negative PCR test or negative lateral flow test within the past 48 hours**  
The NHS COVID Pass is available as soon as you get your result. If you did a rapid lateral flow test at home, you need to report the result first. Find out how to [report a rapid lateral flow test result](#)
- **To be part of an official COVID-19 vaccine trial in England or Wales**  
The NHS COVID Pass is now available to you. Contact your clinical trial site if you cannot get your domestic NHS COVID Pass.
- **A confirmed medical exemption from COVID-19 vaccination or testing**  
The NHS COVID Pass is available once a doctor, clinician or midwife has approved your exemption application. [COVID-19 medical exemptions: proving you are unable to get vaccinated \(GOV.UK\)](#).

### How to get a digital pass?

You can get an NHS COVID Pass digitally through the NHS App or the online NHS COVID Pass service. Follow the links below for more information.

[Download and use the NHS App to get your NHS COVID Pass](#)  
[Use the online NHS COVID Pass service](#)

### How to get a paper 'Pass Letter'?

If you cannot apply digitally using the NHS App or online service, you can ask for an [NHS COVID Pass letter](#) to be sent to you by post. The letter is valid for 30 days. You should get it within 7 working days of the date you ask for it. You can ask for a letter by calling 119 OR by following the link below.
