Dear Parents and Carers,

As many of you know, back in October, we signed up to the Morrison's 'It's Good to Grow' scheme which enabled us to collect vouchers to put towards gardening equipment for school. We set a target of collecting 2,500 vouchers by the end of October. I am thrilled to inform you that we actually exceeded this and our finishing total was 4,364!

With these tokens, we have been able to purchase some hand forks and trowels, gardening gloves, two wheelbarrows, butterfly attracting flowers and some gorilla tubs to help us gather up weeds.

We can't thank you all enough for supporting us with this scheme and for involving other family members too. We can't wait to get busy outdoors!

Yours sincerely

Mrs R. Wilson
